

College Connections

All Chamber members are encouraged to involve summer interns in a FREE program designed to connect young workers to our community and to each other! (*Businesses who are not Chamber Members may enroll interns for \$100*).

College Connections will provide a series of social and educational activities on a once-a-week schedule throughout the summer, June 1 - July 27. Chamber members will serve as "Lunch & Learn" speakers on a variety of topics relevant to college students and new graduates. In addition to the scheduled social activities, a list of popular area recreational activities will be provided for participants to pursue outside of the program's regular meeting times.

Lunch and Learns:

- Networking & Building Relationships
- Leadership & Personality Styles
- Young Professional Panel
- Credit Reports and Credit Cards
- Evaluating Cost of Living & Fringe Benefits

Social Activities:

- Regional Intern Networking Event
- Community Scavenger Hunt
- Mini Golf
- Lady of the Lake

The Chamber is also seeking contributions for the fees associated with providing lunches and ticketed social events. Please contact Allyson Krull, Marketing and Leadership Development Director, if you would like to enroll an intern or sponsor the program. Email akrull@masoncityia.com or call 641.423.5724.
