### **Kurz to Speak Virtually at Women's Leadership Series**

MASON CITY, IA – The next session of the *Breaking Glass Leadership Series* features Sarah Stanton Kurz, owner of Project & Process Solutions in Chicago. The series is offered by the Chamber's Program Committee and is scheduled VIRTUALLY at 8AM on Thursday, November 19.

Kurz is a Mason City native and graduate of the University of Iowa's Tippie School of Business. She began her career in the Motorola call center in Chicago. This position enabled her to earn an MBA in Business Management as she worked her way up the corporate ladder. After ten years of learning the in's and out's of workplace policy, she took another risk and started her own consulting business - *Project & Process Solutions*. Kurz now consults for the NCAA, global meat manufacturers, and several large agricultural companies. Her business philosophy is, "Do not ASK for a seat at the table, pull out a chair and sit down."

*Breaking Glass* offers a unique learning experience to help women stretch their leadership potential, drive their careers with vision and purpose, and make a greater impact within their organizations. These workshops challenge attendees to optimize their role as women in the workforce.

Tickets are \$10 each for employees of Chamber member businesses and \$20 for non-members. Register online at [masoncityia.com](http://masoncityia.com) or contact Kativa Weitzel ([kweitzel@masoncityia.com](mailto:kweitzel@masoncityia.com)) at the Chamber for more information.

*The Chamber of Commerce is a membership-based organization with a mission to promote progressive community and economic development to benefit Chamber members and the North Iowa region.*
